Deepshikha Books

Maths Smart 0

with a free Teacher's Support Pack

Pre-primary / UKG (age 5–6) · 120 pages · 8 units · follows the NCERT pre-primary guidelines and the NEP 2020 foundational stage

Children move from comparing things around them to counting to 100, ordering numbers, adding, taking away, telling the time and knowing money – always **objects first, then pictures, then numbers**. Every page has a date line, a CW/HW tick and a teacher's signature space, so the book is also the child's maths notebook.

The free support pack

Teacher's Manual & Answer Key
21 pages: 36-week term plan, a 30-minute lesson routine, teaching notes and games for every unit, number rhymes, assessment rubric and the answer to every page.

77 flashcards
Numbers 1–20 with ten-frames, number names ONE–TWENTY, tens 10–100 with bundles, the signs + − = > <, clocks 1–12 o'clock, coins and notes.

4 wall charts
Numbers 1 to 100 · number names 1–20 · What's the time? · signs and money.

Check-ups with answers
Three check-ups (weeks 14, 20, 26) and a final assessment, each with a short oral part; class record sheet.

Progress card – English & Hindi
13 maths skills with star levels for each term, teacher's and parent's notes.

Parent sheets – English & Hindi
One for every unit: what the child learnt, new words and what to do at home.

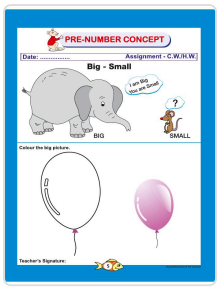

"Well done!" certificate
For every child at the end of the year.

Look-inside sampler
23 sample pages to show parents and book committees.

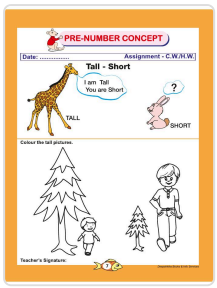

Teachers view the support material on **deepshikhabooks.com/SchoolSupport.aspx** with the school code we send. To download the files, write to admin@deepshikhabooks.com.
